Declaration of Acceptance to the office was also re-confirmed for our existing councilors.

Materion Trafodwyd -Matters discussed

All in agreement that the sole focus for 23/24 years is to try and secure Grants and support for the regeneration of Tregyddan Park. Complaint received to the Cambrian News by a sole member of the public that wanted to remain anonymous about the state of the Park. The CN replied and stated that the council has been attempting to gain grants since 2022 and that there has been a placement on the community board in the village Spar since Feb 23 all year asking for volunteers which have had 0 responses. Also, highlight that we as a community are extremely lucky that the community council has already supplied a new modern and updated Park for the village on a secure safe site less than a 2-minute walk away. Emphasis on a more greener and diverse approach with a specific dog area, with wildflowers, benches, and football posts. The Clerk had put forward to the member to contact the community council to discuss ideas but has not been in touch.

Cllr A Keyworth gave an update from the Rhydypennau Hall BBQ fete which was held on the 24th of June where members of the community and the opportunity to interact with a drop-in centre. Rats in Maes Afallen were a key concern, which Cllr P Hinge kindly stated he would get onto immediately, but we do need to empathize that homeowners need to report through the right channels to the council themselves

through Clic or phone. The drop-in Centre is something that we will continue as part of the community council for 23/24 for community engagement.

Training for the community council to continue looking at dates that they could undertake. The importance and emphasis of these training sessions were again re-iterated by the Clerc for a compliant community council.

Notification for the Tincer for the August edition.

The website for Tirymynach Community Council has gone live and the committee is extremely happy with the outcome ;

No response from Barcud regarding the community councils' hope they will be prioritizing the new dwellings in Tregerddan operating a local lettings policy through criteria. A further letter is to be sent to see if they would be willing to support and help us with Tregerddan Park for their residents.

Discussed a need to further increase our local councilors and to engage and invite those who wish to join to attend and see for themselves.
